The following are the Supplemental Plan Provisions:

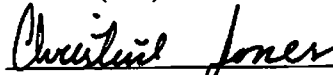

1. Unless the plan is a full pay plan, all of the debtor's projected disposable income to be received in the three-year period beginning on the date that the first payment is due under the plan will be applied to make payments under the plan.

Said claim shall be paid under the plan at 8% interest. Likewise, if any priority proof of claim is filed for a debt that was either not listed or listed as unsecured, the claim shall be allowed as priority unless it is objected to. Said priority claim shall not be paid with any interest.

If a creditor is listed as secured and scheduled to receive pre-confirmation disbursements and post-confirmation payments along with the other secured creditors, but such creditor subsequently files an unsecured claim, then the creditor will not receive any pre-confirmation disbursements and upon confirmation will be paid along with the other unsecured creditors. The funds that were allocated to such creditor as a pre-confirmation disbursement will be distributed on a pro-rata basis to the other secured creditors. Similarly, the funds scheduled to be received by such creditor along with other secured creditors upon confirmation will also be distributed to the other secured creditors on a pro-rata basis.
